

QHS POLICY

Six Alliance Co. Ltd. is dedicated to providing the highest standard of health and safety and environment, providing and maintaining safe and healthy working conditions and equipment to all its employees.

We are committed to providing quality professional offshore equipment services, developing long-term relationships, adapting to the changing needs of our clients and the industry, meeting and exceeding client's expectations and being a contributing member to the communities where we work and live.

Our commitment to business excellence is encapsulated in the following principles.

SERVICE STANDARDS

We shall deliver services that meet or exceed the requirements set out by our clients and the relevant regulatory authorities. We shall comply with all the established procedures, quality standards, safety standards and regulations.

COMMITMENT TO QUALITY, HEALTH AND SAFETY

We are accountable for the Quality, Health and Safety of our Work and will perform to the best of our capabilities at all times. We are committed to prevent/ eliminate/minimize/control risk/ill/health/pollution due to Occupational Health and Safety Hazards and comply with all applicable Occupational, Health and Safety, Legal and Other requirements.

COMMUNICATION

We communicate our QHS policy with our clients, employees, vendors, sub-contractors, and partners and solicit their input to enable us to meet their expectations. We actively promote our QHS policy across all levels of our organization and we encourage our employees to embrace Quality, Health and Safety as their personal commitment. We shall report reportable errors or incidents to the relevant parties and are committed to an open reporting culture. We encourage sharing of information on QHS.

CONTINUAL IMPROVEMENT

We shall consistently strive to improve our Quality, Health and Safety through learning, sharing, benchmarking, innovation and participation in continual improvement programs. Six Alliance Co. Ltd. aims to eliminate all causes of fatal and major incidents from its workplace and we target for continual improvement on incidence rate. We shall establish and maintain appropriate controls and conduct periodic reviews of our attainment of set goals.
